

Society of Early Americanists 6th Biennial Conference Hamilton, Bermuda, March 4-7, 2009

The 6th Biennial Conference of the Society marks the 400th anniversary of the wreck of the *Sea Venture*, flagship of the Jamestown Third Supply voyage, which initiated the permanent settlement of Bermuda--the second permanent English colony in the Americas.

The formal aspects of the conference will run from 8 AM Thursday, 5 March through 6 PM Saturday, 7 March. There will be a pre-conference series of events on Wednesday, 4 March, focused on the historic town of St. George's in the north end of the island. A World Heritage Site, St George's is the site of the first settlement by the survivors of the wreck of the *Sea Venture*, includes the oldest Protestant church in the Americas, as well as a number of house museums, fortifications, etc.

SEA Panel Guidelines:

Please remember to keep your papers short enough to fit into the time allotted. For instance, a paper that is 10-pages, double-spaced, 12-point, with the font Courier New will take about 20 minutes to read. If you plan to make extemporaneous remarks during the reading of the paper, then please limit your typed paper accordingly. Panel Sessions will be one hour and a half, which will allow for brief introductions, 3 papers of 20 minutes each; 4 papers of 15 minutes each; or a Roundtable with 5 speakers of 10 minutes each, followed by 15 minutes for discussion. Panels work best when we can hear all the papers and then have enough time for discussion. Thanks for your help in making the sessions rewarding experiences for all.
